LYCOMING COLLEGE

3 8130 10026 2311

Another year draws to a close . . . another eventful, wonderful year of college life . . . for some of us, the last.

Before leaving campus, we stroll around once more, taking another look at our Alma Mater. Each building brings back memories of college life and the events of the year gone by.

Indispensable are those responsible for the functioning of the college; the administration, the faculty, and the maintenance groups. Ivy-covered Old Main houses these departments, whose personnel efficiently expedite the many important, but frequently unseen, services that keep Lycoming College in operation.

## ADMINISTRATION

PRESIDENT  
D. FREDERICK WERTZ

TO THE CLASS OF 1956:

You are members of the first class to be graduated under my presidency at Lycoming College. You will understand, therefore, that the Class of 1956 will always hold a very special place in my affections.

You are to be congratulated, of course, upon having completed your college career. This is a very significant milestone for each one of you. However, it is important for you to realize that it is only a milestone. You have not reached the end of a journey. You are only a little further along the way.

Lycoming College is proud to be able to graduate each one of you. This does not mean that we dismiss you with a diploma. It means rather that we share the joy of your achievement and look with considerable anticipation into your future. The way in which you respond to the responsi-

bilities of tomorrow will indicate the benefit you have derived from today.

The Class of 1956 has been with the College during its formative years. You have felt some of our growing pains; sometimes you were our pains. But we have come through to the high moment of graduation. In this moment all the influences of your life converge. Here you stand indebted to all who have gone before you: parents, teachers, and friends.

This is a very real debt though it cannot be determined in dollars and cents. You will pay it off as you prove yourself worthy of the sacrifices and services which they have provided for you.

I wish you well! I am proud of you! I want you to remain proud of your Alma Mater.

*D. Frederick Wertz*  
President.

## In Memoriam

In the passing of time we all encounter a dark moment. One such moment occurred last summer when the loss of Mrs. Hazel B. Dorey was felt by the students, faculty, and administration. Mrs. Dorey was instructor in piano in the music department. Her husband, the late Mr. J. Milnor Dorey was also a member of the faculty as an assistant professor of English.

We sincerely hope this yearbook will help to further the impressions she made and that this will continue to be part of life at Lycoming College through the years.

Next to the Miami Triad, it is the oldest National Fraternity originating west of the Ohio River. Sigma Pi has 60 chartered chapters. Beta Lambda Chapter was founded at Lycoming College on May 23, 1953. Before that date it was known as Zeta Delta Kappa local fraternity. Sigma Pi was founded to establish a brotherhood of and for college; to promote scholarship and literary culture; to advance the cause of education; to raise the standard of morality and develop the character of men; to diffuse culture; and to encourage chivalry among men. Beta Lambda Chapter sponsors The Orchid Ball, Founders Day Banquet, and the annual Christmas all-college dance. The brothers of Sigma Pi participate in the many athletic, scholastic, dramatic and social activities of the college campus.

## Epsilon Beta Chapter

Theta Chi, one of the oldest national social fraternities, is observing the 100th anniversary of its founding. It was founded in 1856, at Norwich University, Norwich, Vermont. Since that date it has expanded to 117 chapters. On Lycoming campus Zeta Tau Beta, a local fraternity, formed the nucleus for a Theta Chi colony and later a chapter.

Epsilon Beta Chapter has been active in sports and social affairs on campus. Its yearly activities include a Founders Day Banquet and Kick-off Dance. The fraternity was established to "promote knowledge, inspire lasting friendships, practice truth, temperance, and tolerance, and to extend a helping hand to all who seek it." The brothers of Theta Chi are presently housed at 659 Franklin Street.

## Football

From beginning to end the 1955 football season proved to be exciting. In the first game a Freshman dominated Warrior squad took to the field, under the home lights, against Lincoln University. In scoring an 18-6 victory the blue and gold gave warning that they were a team to be reckoned with. A crowd of 2,500 thrilled to their offensive power as Wayne Bohn, leading the way by scoring two TDs, proved to be the necessary spark plug to generate the Warrior attack.

In the second contest the Lycos faced Juniata, the finest small college team in the nation. The Warriors proved themselves proud even though they lost a close 14 to 13 decision at Huntington. Paul Motta and John Grier were the big guns in the Lyco offense. The blue and gold was the first team to even come close to defeating Juniata in eighteen games.

On October 22, the Warriors again ran up against a powerhouse among small college teams. Drexel Tech, unbeaten in eight games, lived up to expectations by handing the home forces a 33-14 defeat. Homecoming was observed with the return of many alumni, but on the gridiron the Lycos were overcome by the offensive machine of the Dragons. John Joe was the Warriors standout in the many fine tackles and carries he made.

In a driving rain storm 1,200 fans saw the blue and gold handed a heart breaking 14-13 defeat by Penn Military College. Fumbles, a nullified touchdown, and a missed extra point left the home forces on the short end of the score. In statistics, Lycoming led in almost all departments but final scores count. Ken Polcyn proved to be a fine end in his all around

excellent play. P. M. C. won its twelfth victory in thirteen games and the Warriors went down to defeat number three.

On November 5, the Buseymen traveled to Beaver Falls, Penna., where they were rudely welcomed by losing 6-0 to Geneva College. A blocked punt in the end zone in the fourth quarter proved to be the difference in the ball game. The two teams played on even terms in the other three quarters. In this contest the Warriors had a 65 yard run, by Wayne Bohn, to the Geneva two, called back. As usual, Lou DeFebo quarterbacked the club in fine style.

Looking for revenge for a 20-6 defeat in 1954 by Lock Haven, the blue and gold had victory snatched from their hands in the last 50 seconds as a long pass netted the Bobcats a 19-19 tie at Lock Haven. At the end of the 1st quarter, the blue and gold trailed 12-0, but by the half it was 12-7 on a touchdown by John Grier. Two more tallies by Grier and Motta put the Lycos in the lead until the fateful last few seconds.

Dad's Day proved to be an all around success as the Warriors crushed Lebanon Valley by 25-7. The snow had little effect on the Busey machine for the blue and gold ran hot in all quarters. Tired of being shaded by the slim margin of eight points in three defeats, the home forces completely stopped Lebanon Valley on the ground and wrecked the Dutchmen's vaunted aerial attack. The bench was emptied so that all players would have a chance to play in the last contest of the season. The future looks bright as the experience of this year will provide a good basis for better seasons to come.

## Basketball

The Warriors opened the 1955-56 basketball season before a cheering crowd, with a smashing 76-61 victory over Washington and Jefferson College. Ron Kitt proved to be too much for the Presidents' defense as he scored 21 points and led the way in rebounds. In their second contest the Warriors won a thrilling "come-from-behind" victory over, always tough, Mansfield, on the opponent's hardwoods. Moving well against Mansfield's pressing defense in the last 10 minutes, the Warriors drew a number of fouls and made them stand up in a roaring 45-point second half. Joe Hawkins led the Lycos with 24 points. Victory number three came easily as the Blue and Gold outclassed Washington College 85-61 on the home court. Led by Al Wilson's 20 points the Smithmen never were really threatened. The Warriors, still without the services of guard Joe Hawkins, who had injured his hand at Mansfield, were extended at Susquehanna in winning 62-57. The rebound work of Ron Kitt, along with his 18 points, proved to be the difference as the Blue and Gold won number four without defeat. As the season progressed, Lebanon Valley caught the Smithmen off form and defeated them. Then rebounding from their loss, the Lycos soundly defeated Susquehanna 84-69. Al Wilson and Joe Hawkins scored 55 of the team's 84 points, while Don Habel displayed his rebounding ability. Wilson continued to hit often as he led the Warriors to a Frank Merivell finish over Mansfield. Unable to keep up with the pace set by Wilkes the Smithmen fell at Wilkes-Barre even

though Al Wilson scored 34 points. Not discouraged the Blue and Gold, in the most thrilling game of the season, downed Moravian College 100-94 in overtime. Joe Porter proved to be the spark in the overtime period.

The following night, after staging a great rally, the Lycos fell short and lost their first game at home, to Elizabethtown, by a 75-72 score. Al Wilson led the Smithmen with 18 points. The following night the Warriors came from behind several times only to lose to Juniata, in overtime at Huntingdon, by a 98-85 score. Hawkins scored 35 and Wilson 29 to lead the locals.

As the season continued at a rapid pace the jinx at Elizabethtown held up and the Smithmen fell again. The team was led by Wilson's 18 points. Returning home, the Warriors ran into stiff competition and dropped a hard fought 89-81 decision to Bloomsburg. Hawkins played his usual fine game and chipped in with 23 points. On the road again the Lycos rebounded and blasted Lincoln University 69-55. Wilson tallied 20 points to lead the way in breaking a four game losing streak. Continuing to play on foreign hardwoods, the locals could not cope with Lock Haven's tight defense and lost 79-62. Only Al Wilson could hit with any frequency as he tallied 24. Returning home after their long road trip the Lycos found the confines of the College Gym to their liking and scored 22 straight points, in the first half, to down Roberts Wesleyan College, 69-54. In the short time

he played, Joe Hawkins scored 18 and played a fine defensive game. Playing their second tilt at home in the same week the Blue and Gold gained sweet revenge as they beat Wilkes 86-77. Hawkins scored 33 and Zaremba 13, to lead the Warrior offense. Once again leaving the home hardwoods the Smithmen dropped a rugged game to Scranton University. Ron Kitt scored 15 to lead the Lycos. Once again on the Hilltop court the Lycos were not very hospitable, for they downed their old tormentors, Lock Haven, by a 81-66 score. The team was paced by Abbie Zaremba's 24 points.

Continuing their home stand the locals were dropped by Juniata 97-83. Al Wilson scored 21 and Ron Hughes played a fine defensive game. Traveling to Bloomsburg the next night, the Warriors were unable to find the victory column as they stumbled by a wide margin. Bloom ran hot and the Warriors could not stem the tide. Returning home for the last contest of the season the Smithmen finished the season in a blaze of glory as they defeated a good West Chester State team by a 104-88 score. Senior members of the squad Joe Hawkins and Abbie Zaremba scored 23 and 27 respectively in their final game for the locals. They received a standing ovation, from a packed house, as they left the floor. The seasons to come should provide fine basketball for Lyco fans as the Blue and Gold displayed a strong Freshman second string this year.

## Baseball

The 1955 season of the Lycos baseball team was actually more colorful than the score column indicates. In posting a 3-8 mark, the blue and gold played some of the top college teams in the state.

In their opening contest Jack Edgar held the Bucknell Bisons to a 1-1 tie till the 8th inning when the roof fell in. A costly error opened the door for an 8 run outburst. This was a pattern that was established in later games. It just seemed the Warriors could not hold on for the last two innings.

The brightest spots of the entire season were the two victories posted over their old tormentor,

Mansfield, by 13-4 and 9-5 scores. This had not happened for many years. The other lone victory came in 11 innings against Susquehanna. Bobbie Meconi's timely hitting proved to be the difference. In many of the defeats such as Lock Haven, Wilkes, Juniata, and Elizabethtown the blue and gold pitchers were hit hard in the late innings. With a lack of real bench strength to back up the starting nine, the first string had to usually play the entire game.

The 1956 season looks very good. With all but two of last year's team returning, along with many freshmen, the Lycos fortunes on the diamond should improve by leaps and bounds.

## Cheerleaders

Cheerleaders play an important role in the sports events of any college. Under the leadership of Captain Elizabeth "Betsy" Hickey, these girls lead the student body in school cheers. They have even followed the Warriors and supported school spirit at away games, plus adding many new and varied cheers to the agenda.

The Lycoming College Cheerleaders, members of the National Cheerleaders Association, benefited greatly by attending the National Cheerleading Clinic.

*Head Cheerleader*

Rich Hall reminds us of the lighter side of Lycoming, the part that comes after classes are over, and gives college life a unique atmosphere. The fun of gags and games; dates and dances; plays and parties; and the friendships that spring from these activities are the things that bring back warm memories.

# Summer on Campus

Little Leaguers take over the campus during their World Series in Williamsport.

In class and on campus it's a carefree time of the year.

Work starts early for the foot  
ball prospects at Camp Kline.

The first day—registration  
—books—schedules.

# Freshmen Get Acquainted

Hazing plays an important role in orientating freshmen to the customs and traditions of Lyecoming.

## Yats Esool Arrives

The Warriors rally.

The spirit of football, Yats Esool, arrives by train in a casket but his girl friend, Fenuob Dnuora, soon discovers he is still alive and the whole school celebrates. The occasion of welcoming Yats is one of the happiest of the school year.

Last year's Homecoming Queen, Mrs. Robert Tostevin, assisted by her husband, crowns the new Queen, Maryann Apple.

## Homecoming

# Inauguration Day

The new President and First Lady receive guests.

The Inauguration Day celebration included ground breaking, by the Honorable Robert F. Rich, for a new men's dormitory.

Representatives of major colleges and universities join students and faculty at a banquet and procession.

The presidential inauguration was a highly impressive event, especially since it was the first inauguration on Lycoming campus since 1921.

The Inaugural Ball completes the day.

"Going to the dance Saturday night?"

"Haven't I seen you somewhere before?"

"Oh, I'd love to."

## Commencement

After four years of work and study the big day arrives and, almost reluctantly, we prepare to accept our responsibility in the "outside world."

The passing of time brings the underclassmen, too, nearer graduation.

The Commencement exercise, one of the most colorful events on campus, brought to a close a memorable period in all our lives. On June 3, we became alumni of the Lycoming College Class of 1956,

# LYCOMING COLLEGE

D. FREDERICK WERTZ, *President*

Lycoming College, founded in 1812, is a co-educational liberal arts college, granting both the A.B. and B.S. degrees. The liberal arts program is basic to the professions of medicine, theology, teaching, law, dentistry, and is desirable in engineering, science, pharmacy, nursing, and veterinary medicine.

Five-year cooperative programs in engineering and forestry were started in September, 1953. The plan calls for three years of liberal arts study at Lycoming combined with two years of engineering at Bucknell University or The Pennsylvania State University or two years of forestry at Duke University. The student earns the A.B. degree from Lycoming and a professional degree from the cooperating institution.
